## Tithe Policy

We thank you so much for your tithe consideration. We are very grateful for your trust in us and your support of the work we are attempting to do by God's grace.

**Our Board of Directors made the policy to not accept tithe money from Seventh-day Adventist members but we greatly appreciate any donations other than your tithe to support the work at Clash of Minds.**

We truly appreciate your willingness to support the work we do and do not wish to discourage you in any way as a supporter of our ministry. If you have any further questions, please feel free to e-mail our office and we would be happy to assist. May the Lord richly bless you for your kindness and generosity.
