# Is God Love & Never Changing? Or A Vengeful Narcissistic Tyrant?

clashofminds.com

We discuss the character of God. The Bible state that God is Love and that He never changes. If this is true, why do some people believe that there are two versions of God? Why are there people that accuse God of being a narcissist? The God of the Old Testament is seen as the vengeful and wrathful deity and then Jesus comes as the meek and loving one, is this true?
